

# Discover **The DigitalDeal**<sup>®</sup>

**The Digital Deal**<sup>®</sup> is RouteOne's advanced eContracting solution, designed to drive funding efficiency through enriched and accurate data for automation.

**The Required Forms List (RFL)** is a configurable list of forms required by a lender for each contract, enabling dealers to efficiently build a funding package tailored to each deal.

**The Automated Doc Classification** feature uses machine learning to identify document types and automatically split large PDFs, enhancing accuracy and streamlining processing.

**Ancillary Form Data** extracts key information from electronically generated ancillary forms.

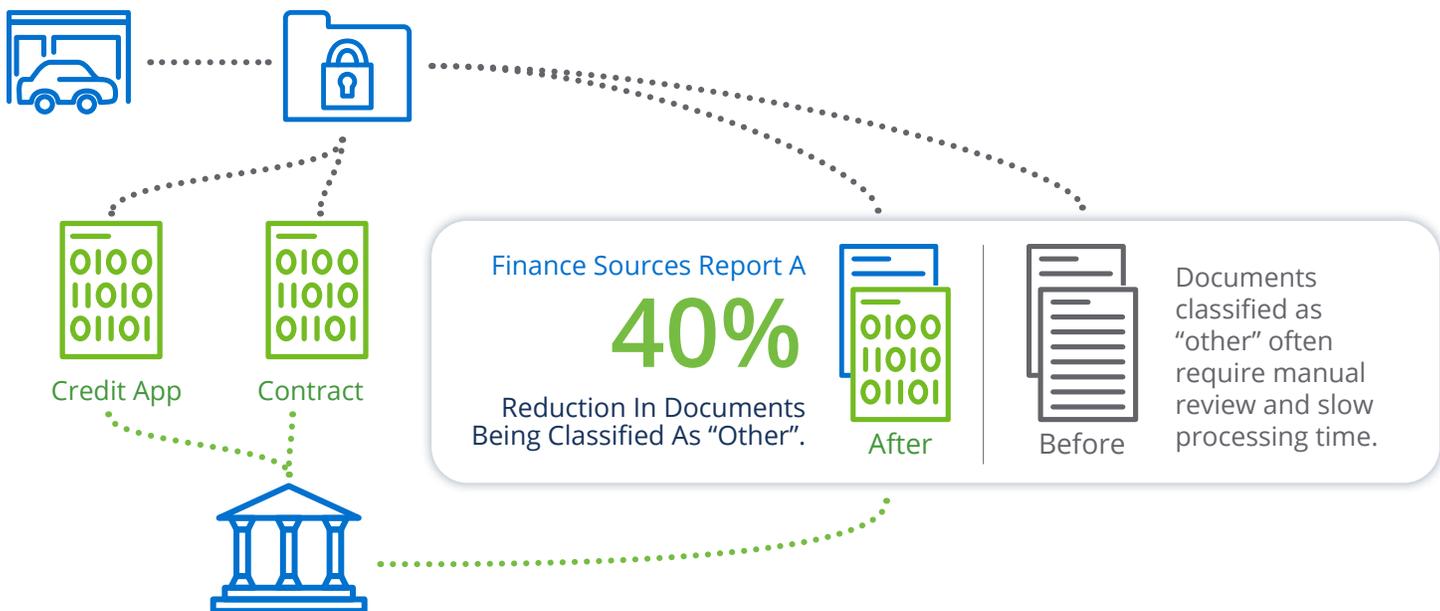

**Document Level Messaging** provides real-time 'Accepted' or 'Rejected' statuses for each document during distribution.

# Unlock **The DigitalDeal**<sup>®</sup> with Decision Lender

RouteOne is excited to announce that DecisionLender is now a certified integrated loan origination system (LOS) with RouteOne's advanced eContracting solution, The Digital Deal<sup>®</sup>. This powerful integration streamlines processes for both finance sources and dealers, offering key features like the **Required Forms List (RFL)** and **Auto Document Classification (ADC)** to enhance efficiency and accuracy.
