Experience the **MeridianLink** difference!

SUPPORT

MeridianLink:
Onshore, responsive support from mortgage experts.

Ask Yourself:
What's your support like?

Why MeridianLink:
With timely, knowledgeable responses you can resolve issues faster, improve service delivery, and strengthen borrower relationships.

HOSTING

MeridianLink:
100% Cloud Native.

Ask Yourself:
Where is yours running?

Why MeridianLink:
Seamless, routine updates mean you can operate at peak performance, reduce IT spend, and focus on supporting your borrowers.

POINT-OF-SALE

MeridianLink:
Integrated, highly configurable on-brand experiences.

Ask Yourself:
Can your application completion rate be better?

Why MeridianLink:
Improved borrower experiences can drive higher application-to-decision rates, LTV, and consumer loyalty.

TOTAL COST

MeridianLink:
Customers cut mortgage closing costs by **50%**, reduced loan cycles by ~ **6 days**, and streamlined application processes **56%** faster than the industry average.*

Ask Yourself:
How are your current mortgage tech costs impacting your ROI?

Why MeridianLink:
Efficiency-enhancing technology can lead to major time and cost savings, reducing total cost of ownership, and allowing you to offer more competitive rates and increase growth opportunities.

CONNECTED LENDING

MeridianLink:
Single sign-on (SSO) and data sharing between Consumer LOS and Mortgage LOS.

Ask Yourself:
Are you working with disconnected loan origination systems?

Why MeridianLink:
Reduced friction in the lending process and increased cross-sell opportunities can improve borrowers' financial wellness and satisfaction, leading to greater revenue potential.

PRODUCT & PRICING ENGINE

MeridianLink:
Native PPE with rate level eligibility evaluation, automated mortgage insurance and fee engine, and more.

Ask Yourself:
Is your cost per loan higher than it needs to be because you are paying for a bolt-on PPE?

Why MeridianLink:
A zero-cost solution that offers real-time market and investor updates can effectively boost borrower satisfaction and your bottom line.

Don't get lost in the mortgage technology Ice Age.
