

Enhance MeridianLink products with innovative & trusted integrations

MeridianLink® connects financial institutions, specialty finance, and fintech companies to better technology, better service, and better solutions that streamline digital experiences for consumers and staff. Through the MeridianLink Marketplace, we offer a catalog of supported integrations designed to help your organization fuel growth by eliminating silos and disparate systems.

Supported integrations

APPLICATION PROGRAMMING INTERFACE (API)

- Pushing and pulling application data from third-party resources
- Best of breed, lead generation and application origination solutions
- Custom development for do-it-yourself innovation

SINGLE SIGN-ON (SSO) FRAMEWORK

- Authentication and provisioning capabilities
- General service provider access framework
- Hybrid API, link capability, data push, and doc/data retrieval

Find integration partners to support your digital transformation

With hundreds of integrated products—for everything from address verification to digital engagement—the MeridianLink Marketplace is your go-to resource for a community of trusted partners and innovative solutions spanning the digital lending experience.

BROWSE PARTNERS

All MeridianLink partners have a profile card with a description of the company and a list of MeridianLink product integrations, solution categories, and integration types.

SEARCH PARTNERS BY NAME

If you have a specific provider in mind, enter their name in the search bar to find their profile card.

FILTER BY PARTNER TYPE

Or, to view integrations based on the specific needs and goals of your organization, use the filter feature to search partners and integrations by type.
