ACCESS

A faster path to yes

Two paths to a digital application experience.

One adds friction. One drives growth.

OTHER PLATFORMS	MERIDIANLINK ACCESS
Who controls your application experience?	
Vendor dependent A ticket for every change.	Full control Configure fields, workflows, disclosures, FAQs, and content on your own.
How does your brand show up?	
Generic experiences Limited room to reflect your brand.	Customizable experiences Branded application journeys tailored to your institution.
How fast can you adapt?	
Slow to respond Your priorities move faster than the platform.	Faster decisions Get to confident decisions faster with automated workflows and real-time data.
Is the journey connected?	
Fragmented technology Separate, siloed experiences across lending and deposits.	One seamless platform Lending, deposits, cross-sell, and third-party integrations all seamlessly connected.

— THE BOTTOM LINE —

Other platforms

You work around the platform—slowing decisions, adding manual work, and limiting agility.

MeridianLink Access

The platform works around your business so you can move smarter, faster, and grow on your terms.

Speed · Flexibility · Intelligence · Control
